Education

Delaware Technical and Community College, AAS Engineering Jan 2008 – Aug 2011

Major: Electronics/Computer Engineering | 60 Hours

Community College of the Air Force, AAS Avionics Systems Technology July 2003 – July 2007

Major: Avionics Systems Technology | 50 Hours

Experience

Mission AI Consulting**June 2025 – Present**

ServiceNow Developer

- Designed and developed secure, scalable applications and workflow automations on the ServiceNow platform using JavaScript, Flow Designer, and platform APIs; implemented data imports, custom scripting (Business Rules, Script Includes), and administrative configurations in an Agile environment.

Projects:

- **Holman Enterprises:** Implemented a wide range of enhancements and defect fixes across the ServiceNow platform, including form customizations, data validation improvements, workflow logic updates, and access request modifications; leveraged Business Rules, UI policies, and configuration changes to enhance data integrity, enforce process standards, and optimize ITSM, Procurement, and Facilities workflows.

Zip Code Wilmington | Wilmington, DE**Jan 2024 – May 2024**

Junior Software Developer

- Admitted into Zip Code Wilmington's highly competitive software development program accepting less than 9% of applicants; completed over 1200 hours of software development projects in an immersive, full-stack training program using Agile and Scrum methodologies and test-driven development; gained experience with multiple object-oriented programming languages and frameworks.

Projects:

- **Portfolio:** Built using Next.js, Tailwind CSS, and Framer Motion. Shows all coursework, all projects, and all GitHub repositories utilizing all my above listed skills. [[Portfolio Link](#)]
- **Morgan Bank:** Built with MySQL, Java, Spring, and React. This is a full stack banking application covering all aspects of banking. [[Morgan Bank](#)]
- **WorkTrack:** Built using MySQL, Java, Spring, React Native, Expo, and Android Studio. This application tracks all job applications from first application to interview. [[WorkTrack](#)]

United States Air Force | Panama City, FL**Jul 2003 – Jul 2007**

F-15 C/D Flight Line Avionics Journeyman

- Honored with multiple awards and recognition during tenure as an Avionics Journeyman in the United States Air Force, demonstrating commitment to excellence and collaborative teamwork in maintaining F-15 C/D Eagle fighter aircraft avionics systems
